2019 Cargo Vans & Equipment

We always strive to offer the best pricing on vehicles and equipment, but even with the best prices, equipment is still costly. Knowing that, we have partnered with the best of the best in commercial lending, giving you plenty of options when it comes to financing so that you are able to get what you want at a payment you can afford.

Unlike some dealers, we are not tied to any one particular lender and have options for every kind of business model and credit history to ensure you get approved for whatever it is you need.

Check your local **N-N** dealer for all your fleet vehicle needs.

Vehicle and equipment finance options to fit your every need.

CDX HARD SURFACE EXTRACTOR

A powerful and versatile portable extractor that is specifically designed for high-pressure cleaning of hard surfaces. With an adjustable 400 to 1200 PSI pump, you can clean tile, concrete, and everything in between!

Turbo Force Tile & Grout Cleaning Tool

The Turbo Force 12-inch Turbo Hybrid operates at pressures up to 2,500 PSI and will clean 400-1,500 square feet per hour. Plus, the patented automatic vacuum compensator leaves the floor drier, which will really thrill your customer. In addition to being lightweight, the Turbo Hybrid is made from extremely durable stainless steel, so it can withstand the bumps and bruises of normal or heavy-duty use. The comfort grip non-slip handle relieves pressure on the hands and wrists, while ensuring your fingers won't slip.
